WELCOME

Dear Participant,

Thank you for participating in this study. Please **read all instructions carefully**, as you will complete tasks and answer questions that will affect your final payment. At the end we kindly ask you to fill out a short questionnaire.

It will take you approximately **10 minutes to complete this study**.

For your participation you will receive a fixed fee of £1 by Prolific. Additionally, **you can receive up to a further £1.00 - dependent on three subsequent tasks**. You will receive these additional earnings once the study is finished.

Your **decisions** within the study will **affect your additional earnings and those of a third party**. Earnings that you assign to this third party will be paid out to them after the study is finished.

It is **also possible that you will receive earnings from someone else**. That means, your additional earnings will be calculated based on your decisions and those decisions that another participant within this study made.

Please note that **you can leave this study at any time** and without providing a reason. If you leave the study, the data you provided will be deleted from our database. However, **we are only able to compensate you for taking part in this study if you complete it**.

All data collected as part of this study is used exclusively for scientific purposes. In addition, **all data collected is strictly confidential** and is **stored in anonymized form so that no conclusions can be drawn about you personally**. Your personal data (e.g., Prolific ID) will be permanently deleted from our storage 30 days after the end of the study. Anonymized data may be made publicly available via scientific Online repositories as soon as the corresponding scientific report on the current study is published.

This study has been approved by the Ethics Committee of the University of Zurich, please address complaints about the study directly to them (chair.ethics.committee@phil.uzh.ch). Please address any other questions or comments you have to the study coordinator Katharina Reher (katharina.reher@uzh.ch).
