

BURCU DEMİRAY BATUR, Ph.D.

Email: b.demiray@psychologie.uzh.ch
 Phone: +41 79 102 65 74
 Fax: +41 44 635 74 19

University of Zurich, Department of Psychology
 Binzmühlestrasse 14, Box 24
 CH-8050 Zürich

Professional Positions

-
- | | |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2013 - | Independent Research Group Leader, University of Zurich
Department of Psychology, Chair of Gerontopsychology*
University Research Priority Program “Dynamics of Healthy Aging” |
| 2011 - 2013 | Postdoctoral Researcher, University of Zurich
Department of Psychology, Chair of Developmental Psychology: Adulthood*
Advisor: Prof. Alexandra Freund |

Education

-
- | | |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2010 | University of Florida, Gainesville
Ph.D. in Developmental Psychology, Advisor: Prof. Susan Bluck
Dissertation “ <i>Autobiographical memory and psychological well-being in young adulthood and midlife</i> ” |
| 2006 | Koç University, Istanbul
M.A. in Developmental Psychology, Language of Instruction: English |
| 2004 | Koç University, Istanbul
B.A. in Psychology, Language of Instruction: English |

Grants and Fellowships

-
- | | |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2012 - present | University of Zurich, Founder and Leader of Peer-Mentoring Group
“ <i>Statistical Analyses with R Language</i> ” (33,500 Swiss Francs) |
| 2014 | Swiss National Science Foundation
International Research Visit Fund (visited University of Arizona) |
| 2013-2014 | University of Zurich, Competitive Research Innovation Fund
PI for Project “ <i>Functional approach to memory and well-being across the adult lifespan</i> ” (65,641 Swiss Francs) |
| 2012-2013 | Suzanne and Hans Biäsch Foundation, Competitive Applied Psychology Fund
PI for Project “ <i>Ecological approach to autobiographical memory and well-being in the context of healthy aging</i> ” (36,540 Swiss Francs) |
| 2007-2010 | University of Florida, College of Liberal Arts and Sciences
Grinter Fellowship (merit-based) |
| 2010 | University of Florida
The Jacquelin Goldman Summer Fellowship (merit-based) |

* Employment at 75%.

Maternity leave: Feb 2015 – Oct 2015. Reduced employment (60%): Nov 2015 – Nov 2017.

Honors & Awards

2011	The Gerontological Society of America Behavioral & Social Sciences Best Dissertation Award (2011)
2010	University of Florida, Gainesville Ferguson Memorial Award (merit-based)
2009	University of Florida, Gainesville Best Dissertation Award from the Psychology Department
2007-2009	University of Florida, Gainesville Travel Award from Graduate Student Council & Department of Psychology Travel Award from College of Liberal Arts and Sciences
2006	The Society for Applied Research in Memory and Cognition, USA Travel award
2005	New Bulgarian University, Sofia, Bulgaria Selected for the International Summer School in Cognitive Science with Full scholarship
2004-2006	Koç University, Istanbul Full scholarship: MA Program in Developmental Psychology
2001-2004	Koç University, Istanbul Dean's Honor Roll: based on academic excellence and GPA

- Demiray, B., & Bluck, S. (2010). *The relation of self to memory: Comparing young and middle-aged adults’ earliest and recent memories*. Poster presented at the Conference on Theoretical Perspectives on Autobiographical Memory, Center on AM Research, Aarhus, Denmark.
- Demiray, B., & Gülgöz, S. (2009). *Earliest memories are special, especially for middle-aged adults*. Poster presented at the 117th Convention of the American Psychological Association, Canada.
- Gülgöz, S., & Demiray, B. (2009). *The vulnerability of earliest memories*. Paper presented at the Psychonomic Society, 50th Annual Meeting, Boston, USA.
- Demiray, B., Gülgöz, S., & Bluck, S. (2008). *Why are earliest memories so memorable?* Paper presented at the Psychonomic Society, 49th Annual Meeting, Chicago, USA.
- Demiray, B., & Gülgöz, S. (2006). *Reminiscence bump in timeline: Support for novelty, significance for personality development, life scripts and distinctiveness*. Paper presented at the Psychonomic Society, 47th Annual Meeting, Texas, USA.

Demiray, B., & Gülgöz, S. (2006). *Why do adults remember more from young adulthood?* Paper presented at the 14th National Psychology Congress, Istanbul, Turkey.

Demiray, B., & Gülgöz, S. (2006). *Reminiscence bump in timeline.* Paper presented at the 4th International Conference on Memory, Sydney, Australia.

Invited talks/Research Visits since 2014

June 2019	Tilburg University, Department of Cognitive Science & Artificial Intelligence
Oct 2018	University of Geneva, Cognitive Aging Lab
Nov 2017	University of Zurich, University Research Priority Program
Oct 2016	University of Aarhus, Center on Autobiographical Memory Research
Sep 2016	Koc University, Istanbul, Research in Applied Memory Laboratory
Aug 2014	University of Arizona, Department of Psychology
Apr 2014	Bogazici University, Computer Engineering Department, Istanbul
Mar 2014	University of Louvain, Department of Psychology, Belgium

Courses Taught

University of Zurich, Psychology Department

Spr 2018	Cognitive Activities in the Real World (undergraduate seminar)
Fall 2014	Memory in the Real World (graduate seminar)
Fall 2013	Autobiographical Memory in Late Life (graduate seminar)
Spr 2012	Autobiographical Memory Across the Life Span (undergrad. seminar)
Fall 2011	Psychology of Love (graduate seminar, co-instructor with Prof. Freund)

University of Florida, Psychology Department

Spr 2010	Research Methods in Developmental Psychology Laboratory (undergraduate)
Spr 2009	Introduction to Psychology (undergraduate)

Teaching Assistant:

2010	Research Methods in Developmental Psychology (undergraduate)
2009	Introduction to Psychology (undergraduate)
2008 & 2009	Measurement, Design and Statistics I & II (graduate; elected as TA due to outstanding performance in these courses)
2007 & 2008	Developmental Psychology (undergraduate, in class & web-based)

Koç University, Psychology Department

2005- 2006	Assistant Instructor: Introduction to Psychology (undergraduate)
2005	Teaching Assistant: Psychology of Testing and Measurement (undergraduate)
2004- 2005	Teaching Assistant: Research Methods in Psychology (undergraduate)

Mentoring since 2014

Ph.D. theses: Laura Minxia Luo (Defense: 2019)

Master's theses: Sarah Untersander, Marianne Mischler, Mirjam Imfeld, Elisabeth Schoch, Caroline Winkler, Eliana Brianza

Bachelor's theses: Andra Arnicane, Olenka Dworakowski, Christine Tusz, Lucas Baeriswyl, Melanie Bamert

Research interns: Annika Martin, Zoe Wälchli, Isabel Berwian, Oliver Lohse, Andra Arnicane, Nathalie de Peri, Joelle Barthassat, Marion Hauert, Marianne Mischler, Martina Preisig, Leonie Pahud, Laura Nanz, Charlotte Kukowski, Iliana Füssl

Professional service

2019	Guest Editor for Special Issue "Social and cognitive dynamics in healthy aging: From the lab to the real-world" Journal of Gerontopsychology and Geriatric Psychiatry
2018 - present	Collegium Helveticum, University of Zurich & ETH Zurich Scientific member of working group "Digital Approaches to Healthy Aging" (organizing workshops, project development/management)
2018 – present	Digital Society Initiative, University of Zurich Scientific member of interdisciplinary working group "Community Health"
2018	Organization/Scientific Committee of the Conference of the European Cognitive Ageing Society (EUCAS): <i>Aging and Cognition Conference, 2019</i>
2016 - present	<u>Grant Development Support (PI: Prof. Mike Martin):</u> Competitive University Research Priority Program "Dynamics of Healthy Aging", Phase II (8 Mio Swiss Francs, 2017-2020) National Research Program, 77 Digital Transformation (10 Mio Swiss Francs, 2019-2023) Citizen Science Platform Zurich (1.25 Mio Swiss Francs, 2017-2020)
2015 - present	Member of the University Research Priority Program "Dynamics of Healthy Aging" (Attending colloquium, in-house conferences, hosting guest scientists)
2015 - present	MADOKO: Master's and Doctoral Students Conference, Department of Psychology, University of Zurich (Supporting my students with their presentations, acting as judge for best poster prizes)
2012 - present	<u>Ad-hoc Reviewer:</u> Psychology and Aging, Developmental Psychology, Gerontology, GeroPsych, Frontiers in Psychology, European Journal of Aging, Aging and Mental Health, Applied Cognitive Psychology, Memory, Emotion, Journal of Cognitive Psychology, Journal of Individual Differences, Journal of Happiness Studies, Journal of Social and Personal Relationships, Identity, Advances in Cognitive Psychology, PLOS ONE.

2012 - present	Peer-Mentoring Program, University of Zurich Founder and Leader of Peer-Mentoring Group “ <i>Statistical Analyses with R</i> ” (Applying for funding, leading the group, organizing statistics workshops, activities and meetings for group members in doctoral and postdoctoral levels)
Sep 2010 - Feb 2011	Lab Manager: Koc University, Research in Applied Memory Lab, Prof. Sami Gülgöz (Leading projects, training assistants, running meetings)
2009 - 2010	Lab Manager: University of Florida, Life Story Lab (Prof. Susan Bluck) (Recruiting assistants, training assistants, running meetings, assigning tasks)
